

# AUSTIN

## Catholic High School

### **Tuition Discounts**

#### **Sibling Discounts**

- 2 Students— \$1,500 credit applied to second student
- 3 Students— \$4,000 credit applied to second and third students

#### **Referral Program**

We recognize that current Austin families are our biggest advocates. When you share your experience about the Austin Catholic High School education, you are actively participating in the growth of the Austin community. To show our appreciation for your support, Austin has implemented a Family Referral Program.

When a new student(s) enrolls at Austin the referring family will receive a \$500 tuition credit. *A maximum credit of \$1,500 is applicable to the year the new family enrolls.*

#### **Military and First Responder Discounts**

We are proud to offer discounts for student of military and first responders. Each year the amounts will vary depending on our generous donors and endowment gains. Parents must show proof of service each year to have the discount applied. This discount applies to students of an active military, students of retired military or active reservists. Students of first responders (police and fire) are also eligible for a discount. *These discounts are per family and cannot be applied towards fees or incidental costs*
