

Austin Advantage

Austin Catholic High School continues to elevate its academic and athletic excellence by attracting exceptional educators and coaches who are deeply committed to student growth, success and overall experience.

- 7:1 faculty/student ratio
- 100% graduation and college acceptance rate
- Diverse range of clubs and extracurricular activities designed to spark curiosity while supporting interests
- Well-rounded selection of sport teams, encouraging teamwork, school spirit and physical well-being
- Dual enrollment in college courses for qualified 11th - 12th grade students
- Internship and co-op opportunities
- Recognized and celebrated music and art programs
- A robust robotics program

“Every family that we have recommended Austin Catholic High School to has thanked us for the guidance.”

“The intimate learning environment, family atmosphere, and ease of parent-teacher communication, all wrapped up within a safe and strong faith-based community; leaves Austin Catholic as a rare gem in the Metro-Detroit Catholic education universe.”

Austin Catholic High School

Macomb County's only Catholic, Cognia Accredited, Co-Educational High School

*In the spirit of St. Augustine,
we develop minds to lead,
empower hands to serve,
and inspire hearts to love.*

Academics

As a diverse and inclusive community, Austin Catholic High School accepts students from all faiths and backgrounds. Driven by the Augustinian core values of truth, unity, and love, ACHS empowers students spiritually, morally, intellectually, and physically for college and career.

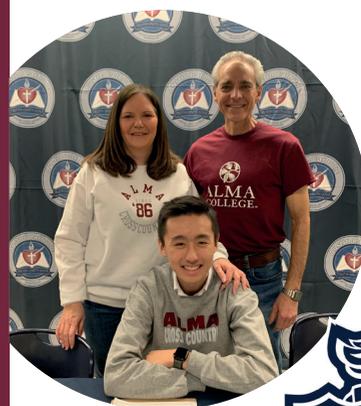

ACHS sets rigorous standards in our college preparatory curriculum. Our college dual credit, advanced placement and honors courses prepare students to succeed after graduation day. Because education continues beyond the classroom, ACHS encourages students to participate in fine arts, athletics, and student life programs as well.

To ensure your student's success, exceptional faculty and supportive programs meet students where they are, providing the tools needed to realize their full potential. We are small *by design*, so every student is *known* and *valued*.

Students become the best version of themselves at Austin Catholic High School!

Athletics

We believe strongly in the ideal of "Pursuing Victory with Honor." The commitment to hard work, dedication to the team, respect for all, and good sportsmanship are cornerstones of our athletic programs. All Austin Catholic High School coaches, players, parents, and fans are expected to always uphold and display these qualities. Crusader Athletics is guided by the belief that faith and community must come first and that participation in athletics must be accompanied by excellence in and out of the classroom.

• Letters of Intent

"Both of my children have grown in kindness and confidence, with the opportunities they might not have had elsewhere. My son found his love for cross country here, which he now continues at Alma College. ACHS has been such a blessing for our family."

- Tricia Di Ponio, '25, '27 parent

• Outstanding Student-Athletes

ACHS was bursting at the seams with pride when three outstanding seniors were named Macomb County All-Academic 2025 recipients! The award, presented to high school seniors who demonstrate exceptional academic achievement and leadership qualities, recognizes students from across Macomb County, highlighting their hard work and dedication to academics and extracurricular activities.

Faith & Service

Austin empowers students spiritually, morally, intellectually, and physically for college, career, and life in the Augustinian tradition - resulting in minds to lead, hands to serve, and hearts to love.

Guided by Augustinian core values of truth, unity, and love and embedded in a vibrant faith community, students are encouraged to serve their communities and parishes.

The Campus Ministry Office provides many opportunities for each student to enrich and develop his/her spiritual life. Throughout the course of the year there will be Mass, celebrations of the Sacrament of Reconciliation, formal prayer opportunities, opportunities for individual prayer, and retreat programs. All religious programs, as well as four years of formal classroom instruction in Religion, are designed to cultivate a solid foundation in the Christian life.

Looking beyond ourselves, ACHS provides spiritual programs that promote a lifelong commitment to loving and grateful service to each other, to society, and to God.
