August 2026

Dear Austin Advocate,

Austin Catholic High School is built on the legacy of the original Austin Catholic Prep Detroit. This fall, our two communities will come together as one to celebrate that legacy and invest in the students who will carry it forward. It will be an evening to honor where we have been, celebrate who we are today, and help shape where we are going.

A diploma represents what you have accomplished. Being an Austin Catholic graduate represents what you can become: a builder, a leader, and a person of faith and character prepared to make a difference in the world.

Please join us for this special evening as we come together to support these remarkable students and the leaders they are becoming. Together, we can carry the Austin legacy forward, not simply through the name of our school, but through the lives, character, and impact of our graduates.
